

Parent Advocates Down Syndrome and Corporate Sponsors

Together we can shape

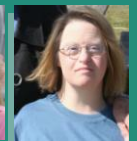

Dreams for a Lifetime

Donations = Lifelong Dreams

What is Down syndrome?

- Down syndrome occurs at conception. The embryo has 47 chromosomes in each cell instead of the usual 46.
- One baby in every 800 births is born with Down syndrome. As the child grows the extra chromosome uniquely impacts how they develop.
- People with Down syndrome have a lifetime of potential just like any other person.

Who is PADS?

- PADS is a non-profit organization in Alabama dedicated to promote awareness and acceptance of, and advocacy for individuals with Down syndrome.
- PADS offers education & support programs for individuals, their families, caretakers, educators, medical professionals, service providers & the communities where they reside.
- PADS believes individuals with Down syndrome will excel, discover a hopeful future and enjoy life in an inclusive and supportive community.

Why is an Adult Clinic needed?

- Strides in pediatric heart & health care have significantly increased the average life span of individuals with Down syndrome.
- The clinic offers knowledgeable care for the unique health & life issues of these maturing adults & addresses the concerns of their caretakers.
- The clinic serves as a **medical home** for adults with Down syndrome throughout the Southeast United States.

Awareness

"We leave meetings, encouraged, more informed, and usually laughing. We wouldn't miss a meeting!"

A PADS Corporate Sponsor is a dedicated willing partner to impact and improve quality of life, giving a hopeful future to the individuals with Down syndrome they view as valuable members of the Corporation's community.

Charitable Donation

An annual monetary contribution

End of Year Giving

A unique monetary award given at the end of a fiscal year

In-Kind Donation

A contribution of items, company services or gift certificates

Corporate Participation

Executive and employee participation in PADS Buddy Walk, Golf Classic and programs, including the consideration of an employer matching gift program

Companywide Volunteerism

Encouragement of executive and employee team building and volunteerism to PADS Buddy Walk, Golf Classic, activity groups and programs

Acceptance

"We have gained a wealth of knowledge from PADS conferences and wonderful friendships through social events."

Advocacy

"PADS has been an invaluable source of support for 21 years. The Adult Down Syndrome Clinic is giving us even more assurance for a bright future."

Reaching for Dreams

BUDDY WALK

The National Down Syndrome Society established the Buddy Walk in 1995. Walkers reach out to friends, family & community, promoting awareness & inclusion for people with Down syndrome while raising funds for advocacy programs.

GOLF CLASSIC

The Annual Golf Classic provides a venue for Corporate Sponsors and caring individuals to fundraise and promote community awareness while giving individuals with Down syndrome an opportunity to participate and enjoy golf as a life enhancing sport.

The New Parent Group supports mothers & fathers in their new role parenting a child with disabilities, encouraging them to connect with other families, early intervention services & community opportunities.

Heart to Heart supports parents as their child undergoes heart surgery.

Got 47? Campaign promotes acceptance by dispelling prejudice & fear, educating the peers of individuals with Down syndrome about disabilities.

The Educator's Conference is an Annual Conference that provides up-to-date information and methods for caretakers and professionals.

Self Advocate Support focuses on educating & empowering adults with disabilities to advocate for inclusive vocational, housing, & recreational opportunities.

DREAMS Realized...

ADULT DOWN SYNDROME CLINIC at UAB

Funded through

The John Mark Stallings Endowed Support Fund

One of only a few clinics in the nation to serve the unique medical needs of teens and adults with Down syndrome with quality and compassionate care.
